25X1

Copy 1 of 8

2 April 1956

Dear Bob:

With reference to your letter of 12 March 1956 re: Tender of delivery of design data and reports, it has been ascertained that such material can be shipped via commercial air lines if properly escorted.

25X1 [] will be in L. A. on 4 April 1956 and will discuss with you and George the procedure for such shipment. Will you, therefore, cooperate with him on any packaging or transportation problems involved.

Thanks,

Geo.
